INTERNATIONAL BIBLIOGRAPHY ON CRIME AND DELINQUENCY

INDEX

INDEX

This is a combined index of the abstracts of books, journal articles, reports and unpublished materials, and of the project summaries which appear in this issue. Abstracts are indexed by author, subject and, when significant, place of origin, and are numbered 1 through 367. Project summaries are indexed by auspices, personnel, correspondent, subject and place of origin, and are numbered P1 through P25. Documents printed in languages other than English are indicated in the index by asterisks as follows:

* Article printed in language other than English.

** Article printed in language other than English, summary or statistics in English.

*** Article printed in English and another language.
